In the event that West Escambia Utilities determines that an existing service connection is useable, they will install a cleanout at the property line. Maintaining this cleanout shall be the responsibility of the property owner. Where West Escambia Utilities determines that there is no sewer connection or that the existing sewer connection is insufficient, the customer will be required to pay an additional \$1,500.00 for the installation of a new sewer connection. Existing service lines shall be of at least schedule 40 PVC.

This form must be completed and submitted to the City of Atmore Building Department prior to obtaining a permit for the proposed project.

IMPORTANT-PLEASE READ THE FOLLOWING

PRE-OWNED MANUFACTURED HOMES

If you are applying for a permit to install a **pre-owned** manufactured home and you are purchasing this home from a **licensed dealer**, the home must contain a **Resale Decal** issued by the Alabama Manufactured Housing Commission.

If you are applying for a permit to install a **pre-owned** manufactured home and you are purchasing the home from **anyone other than a licensed dealer**, the home **must be inspected** to certify compliance with Chapter 535-X-10 of the Alabama Manufactured Housing Commission Administrative Code.

THE CITY OF ATMORE CANNOT ACCEPT A PRE-OWNED MANUFACTURED HOME SOLD BY A LICENSED DEALER THAT DOES NOT CONTAIN A RESALE DECAL.

APPROVAL OF ELECTRICAL SERVICE

ALL electrical work must be performed by an electrician licensed by the State of Alabama Electrical Contractors Board and the City of Atmore.

A list of electricians meeting these requirements is included with this application for your convenience.

This office **WILL NOT** approve electrical service where work is performed by anyone that is not legal to perform such work.
