

Atmore Police Department

Press Release

To: Media

From: Chuck Brooks, Chief of Police

Re: Shelter

The City of Atmore will have two shelters available for citizens who may need temporary shelter from Hurricane Sally. City officials have designated the auditorium at City Hall for Seniors, and for citizens with special needs. The second location, for all others, will be at Atmore Library on Church Street. These shelters will open at 8:00 PM, Monday evening, September 14, 2020.

Due to COVID-19 concerns, evacuees will be required to adhere to all of the CDC and State of Alabama Department of Public Health guidelines.

Evacuees are encouraged to bring bedding, food and water, and prescription medications to last for a minimum of 72 hours. Items forbidden in the shelter are alcohol and illegal narcotics.

Atmore Police will be providing security while the shelter is opened.

Anyone needing transportation to the shelter should call the Atmore Police Department at 251-368-9141, or 251-368-9095.
